(Successor to the Maryville Republican)

VOLUME 2. MARYVILLE, MISSOURI, TUESDAY, MAY 14, 1912. NO. 296.

OLD SCALE GOVERNS

MAJORITY OF CONTRACTORS SAY 20C PER HOUR IS THE PRICE

MEN'S SIDE OF THE STORY

One of the Strikers Made Statement That Men Are Required To Do Summer Work at Winter Price.

The matter of establishing a wage scale for common laborers at the new postoffice building under course of construction, was settled Monday afternoon as a majority of the contractors written to for information as to the prevailing wages, have answered that it was 20 cents per hour. One contractor in his letter said that he was paying 22½ cents an hour, but three others stated that 20 cents an hour was all that they were paying. Two other contractors were written to for information, but they had not replied and the laborers on the job told J. R. Edwards, superintendent in charge, that they would take what these contractors that had replied had said that they were paying for labor. The letters received were read to the boys Monday afternoon by Mr. Edwards and since they made the proposition themselves to abide by what other contractors were paying for labor, they accepted the terms of 20 cents an hour.

It is thought now that there will be no more strikes as all the boys were back to work Tuesday morning.

A statement from one of the boys on the job as to the points in controversy follows:

"As the so called strike has caused so much excitement in our city, perhaps it would be well for the so called strikers to state definitely just what they are contending for. The usual contention in a strike is higher wages and shorter hours. But in this case the hours has nothing to do with it. Uncle Sam states that no man can work one minute longer than 8 hours. Then the only question is the price per hour or rather the net sum per day.

"The price paid is 20 cents per hour. Eight hour a day gives the laborer the meager sum of $1.60 per day, $9.60 per week, providing it does not rain.

"The price asked for is 25 cents or $2 per day which is yet very low wages.

"Let me state right here before I go into this discussion that Mr. Edwards is a fine boss and all the boys like to work for him. But Mr. Edwards is a business man and now represents W. D. Lovell & Co.

"After some arguments had taken place a plan of settlement was agreed upon. It was: that Mr. Edwards was to write to four local contractors asking what they were paying their common laborers, thus gaining the wage scale. The four contractors named were Lincoln Bent, Frank Bolin, Henry Foster and Martin Borrusch. Mr. Edwards suggested that a majority might not be gained and suggested that he send letters to C. C. Young and Marion Ulmer.

"The result of this was certainly a surprise to us. Mr. Bolin writes that he is paying 22½ cents per hour, nine hours a day. Mr. Bent writes that he is paying 20 cents per 10 hours per day. The greatest surprise came when Henry Foster said he was only paying $1.70 per day and working ten hours per day and that his men were satisfied.

"Mr. Edwards in his letter which as agreed should have been shown to us before he sent them, stated that he did not want the wages paid to men who could put up scaffolds or derricks. We believe that this clause and the word common caused these contractor to give the scale on pick 'os or scrubs.

"We learned after Mr. Edwards had stated that he had not heard from Martin Borrusch, that Mr. Borrusch had replied and that it read something as follows: "I think that 25 cents per hour is a fair price." The cause of such a reply was that Mr. Borrusch is not working at present, yet he states to us that he had not heard from Mr. Borrusch.

"So the temporary agreement has come to a close and now what? The summer is the only time we can make money. It takes all we can make in the winter to live on. If we work at his price in the summer too, our living is all we will get. Should any man work for such wages, especially on a government job, that in the end the best he can hope for is a good room in the county poor farm."

"We have done what we though was right to ourselves, our families and our town. A. STRIKER."

BLIND MAN DIED.

Frederick Rachau of Skidmore Buried Sunday—Had Been Blind Since the Civil War.

Frederick Rachau, about eighty years old, died at his home in Skidmore Friday evening, and was buried Sunday afternoon. He saw service in the civil war and ever since that time had been blind. The funeral services Sunday were conducted at the home by Rev. Reuben Barrett, also an old soldier, and the pallbearers were all members of the G. A. R. He is survived by a brother, who lived with him, and several children, Charles Rachau of Monroe township, being a son. A daughter, Mrs. Joseph Fullerton of Dayton, Nebr., attended the services. Mrs. Rachau died a number of years ago.

MADE THE BEST RECORD.

Mrs. Georgia Beedle, a Business College Student, Took Down 10,000 Words in Five Hours.

Mrs. Georgia Beedle has completed the shorthand course in the Maryville Business College, having made the best record ever made in the school. She completed the course in just 107 days, and established a record which is hard to beat. Mrs. Beedle took from dictation and transcribed on the machine, nearly 10,000 words in 5 hours, making a rate of 100 words a minute for dictation and transcribed it at the rate of 38 words per minute.

Mrs. Beedle has a position waiting for her in Oregon which she will accept the first of July. In the meantime, she will do some work in bookkeeping.

TO PUT ROAD THROUGH

Normal to Take Steps at Once on Road from Storm Avenue Over Wabash Tracks.

A consultation this morning between W. A. Blagg, president of the Board of Regents, and President Taylor, resulted in the decision to take steps immediately in putting a road through from Storm avenue, over the Wabash tracks, and up to the east side of the Normal building. It is also proposed to make an oiled road demonstration in the near future. The road which leads from the south entrance of the campus to the building, will be used in this demonstration.

TO MEET IN JUNE.

Assessors to Meet the First Week in June—Meeting Was to Have Been Held Saturday.

The various township assessors who were to have met Saturday in this city, will not meet until the first week in June. There was only one assessor present Saturday being E. D. Woodward of White Cloud township, outside of the Polk township assessor, E. F. Hamlin, and it was though best to meet with the county court which will be in session the first week in June.

Returned to Chicago.

Mrs. J. B. Morrison, who has been in Maryville for ten days looking after business matters, left for Chicago Monday, where she and Dr. Morrison and Miss Mildred Morrison will continue to reside while Miss Mildred is pursuing her vocal studies. They have leased their residence on South Main street, but will return to Maryville to resume their residence. Miss Morrison will have singing engagements the coming summer in the west and northwest, and next year will sing under engagements made by the Redpath bureau of Chicago. Her voice teacher is Mr. Alfred Williams, who was a pupil of Jean de Resky.

An abundance of music will be furnished by Prof. Lawler's orchestra.

Agent Goforth's Relief.

Mr. F. E. Whitchurch, telegraph operator at the Burlington station, has been appointed to fill the position of Agent W. E. Goforth during his illness. Mr. Goforth is doing very nicely since his operation on Monday, but it will be two or three weeks before he will be able to leave the hospital. G. T. Shipley of Griswold, Iowa, arrived Monday to take Whitchurch's place as operator until Mr. Goforth's recovery.

Rev. Crowe Returned Home.

Evangelist Crowe, who has been conducting a successful revival at the M. E. Church the past two weeks, returned to his home in Salisbury Monday. The meetings will continue until further notice, the pastor, Rev. W. J. Parvin preaching.

Mrs. F. Reimer of Lenox, Iowa, was in Maryville Monday forenoon on her way to Stanberry to visit her son, T. F. Reimer and family.

OPEN HOUSE JUNE 5

OCCASION OF GOVERNOR HADLEY'S VISIT TO THE NORMAL.

WILL TALK ON RURAL LIFE

Prominent Men to Talk on Subjects of Interest—Governor is to Attend Reception After Evening Talk.

It was positively decided Tuesday at the Normal to have a conference on rural community life on the afternoon of Wednesday, June 5, at which time Gov. Hadley will be here and will preside at the meeting. Such subjects will be discussed as "The Rural Home," "Rural Consolidation of the Schools," "Good Roads," "Conservation of the Soil" and other subjects of vital interest to the whole country.

Prominent and capable men will be appointed to lead in the discussion of each subject and an opportunity will be given for the general discussion of each question. Considerable interest has already been manifested by prominent men over the district and the occasion bids fair to result in great and lasting good to the community.

Arrangements are being made this week for the "Open House" and reception to Gov. Hadley, who will be the guest of the Normal school on Wednesday, June 5. He is to speak also on Wednesday evening at the Normal auditorium, after which the reception will be held. The public is invited to attend.

President Taylor is arranging to make the event one of the biggest in the history of the school.

POST GRADUATE RECITAL.

To Be Given in Conservatory Hall This Evening—the Program.

Tonight at the conservatory recital hall will occur the post-graduate recital of Miss Eunice Mae Garten. Miss Garten will be assisted by the Normal male quartet. The program follows:

Scherzino Op. 10 No. 3.... Paderewski
Aufschwung Op. No. 12.... Schumann
Quartet—Bendemeer's Stream..... ..... Gatty
Mazurka Op. 6 No. 1..... Chopin
Valse Op. 64 No. 2..... Chopin
Concert Etude, Op. 42 No. 1... Godard

DEATH OF MISS SILVANDER.

Ill a Month in Ensworth Hospital of St. Joseph—Burial Near Guilford.

Miss Carrie Silvander, a sister of Mrs. Soren Hanson of Guilford, died in Ensworth hospital of St. Joseph Saturday morning, and the funeral services were held Saturday in the M. E. church, South, of Guilford, conducted by Rev. S. E. Hoover. Burial was in Grave's cemetery, near town. Quite a delegation from the Rebekah lodge of St. Joseph, of which Miss Silvander was a member, accompanied the body to Guilford for the funeral. Miss Silvander had been employed in St. Joseph for some time.

Case Appealed to Circuit Court.

The case of Nodaway county vs. J. F. Roelofson, public guardian in charge of estate of Robert O. Williams, a person of unsound mind, was appealed from probate court to circuit court. A demand was made on the estate for over $6000 for keeping and maintainance of Williams in the asylum at St. Joseph. The case will come up at the June term of court.

Attended Church Services.

Mrs. George Holbrook and Mrs. H. P. McClure of Braddyville, Iowa, and Miss Laura Bail of Hopkins, returned to their homes Monday from a stay in Maryville since Saturday. They came to attend the Old School Baptist services that were held Sunday at the homes of W. T. Cabbage and Henry Foster.

Settled a Loss.

C. D. Hooker was in Skidmore Monday and settled the damage that was done to Thodosia Peters house which was damaged by fire on Sunday. He was allowed $25. Mr. Hooker represented the Mutual Fire and Lighting Insurance company of the county.

Have a New Daughter.

Mrs. and Mrs. Alva Maul announce the birth of a ten-pound daughter Sunday morning, May 12, 1912. The baby has been named Lela Myrtle.

BUSINESS COLLEGE EXERCISES.

Franklin Pierce Jolly of Joliet Will Address the Class on Thursday Night, June 27.

The Maryville Business College commencement exercises will take place the night of June 27 in one of the Maryville churches. Mr. Franklin Pierce Jolly, the well-known lecturer, will deliver the address to the class on the subject "How to Win the Race of Life."

The list of graduates is not yet ready to be presented, but President Cook announces that there will be twenty-five or thirty.

The class has elected its officers and commenced plans for the closing night. The officers are: Miss Katie Merrigan of Clyde, president; Miss Marie Bleuel of Maryville, vice-president; Mr. Mark Basford, secretary, and Mr. M. J. Hull, treasurer.

Franklin Pierce Jolly has appeared in Maryville a number of times on the lecture platform and he will attract a big crowd for the Maryville Business College commencement night.

CLUB TO MEET.

Regular Monthly Meeting of the Commercial Club to Be Held Tuesday.

The regular monthly meeting of the Commercial club will be held on Tuesday evening, May 14. A full attendance is desired as many important matters will come up.

One of the matters that will be considered is the weekly community sales. A time will be selected to pull off the first one and it will probably be the first week in June. The club seems to be strongly in favor of these sales. The plan is to have these sales days Wednesday of each week and have the merchants offer unusual bargains and then to have an entertainment of some kind for the people, such as a band concert and other features.

Another matter will be the paid secretary. The committee that has charge of the matter, will report the feasibility of the plan. The committee has a large number of applicants for the position.

CELEBRATED ANNIVERSARY.

Epworth League of First M. E. Church Had Exercises for Its 23d Anniversary

The Epworth league of the First M. E. Church celebrated its 23d anniversary of its organization Sunday evening. Miss Mary Q. Evans had charge of the program which consisted of music numbers and speeches by the newly elected officers of the league. The newly elected officers were installed by Dr. J. S. Ford.

The musical numbers consisted of songs by a double quartet composed of Misses Gladys Ford, Irene Kemp, Lucile Airy and Nell Wray and Messrs. Lona Perrin, Leo Keener, G. Maater and Clarence Perry and a clarinet solo by A. M. Bennett.

TO PLAY TARKIO COLLEGE.

Fast Game Promised for Wednesday Afternoon at Normal Park.

The baseball game tomorrow at the Normal athletic park between the Normal and Tarkio should be a great exhibition of the national game. The locals have been going at a fast clip of late and the collegians have a winning team this year. They defeated the locals at Tarkio two weeks ago by a score of 6 to 7 and of course the teachers will play all the ball they know to turn the tables. Coach Moore will present the same line-up as in the Amity game. The Tarkio squad were in Maryville over night Monday on their way to Cameron where they play Missouri Wesleyan college today.

Returned to Kansas City.

Mrs. F. N. Scott and children returned to their home in Kansas City Tuesday morning. They were accompanied by Miss Nelle Campbell, who will visit them a few days, and then go on to Eskridge, Kan., to assist Mr. Scott in opening his new store there. Mr. Scott moved his Maryville stock to that place.

Visiting Her Husband.

Mrs. E. A. Morast of Kansas City, arrived in Maryville Saturday evening to spend a few weeks with Mr. Morast, who is the linotype operator for the Democrat-Forum. Mr. Morast came to Maryville a week ago to take the place of Mr. Frank Hart, who is off on a vacation.

Guests at Schumacher Home.

Miss Florence Lynch of Monmouth Ill., is the guest of Misses Lenore and Rose Schumacher this week. Miss Lynch came here several days ago to visit her cousin, Mrs. Jerry Vaughn living north of Maryville.

A BUNCH OF RUMS

LETTER WRITING ABILITY LEADS TO ARREST OF WORKMAN.

THE POLICE DIDN'T LIKE IT

Frank Opionion Expressed in Letter to a Friend Was Displayed in Chicago Where He Was Wanted.

Safe, as he though in Conception Junction, Louis H. Heesin, going under the name of "Miller" was arrested Monday at that place by two detectives from Chicago, where he is charged with taking $4,000 worth of jewelry and clothing.

Heesin had been at the Junction for about a week or so and was working at the roundhouse of the Great Western. When he called for his mail Monday under the name of "Miller" at the postoffice in the Junction, two dectives were standing near and arrested him at once.

Heesin thought he was safe at that place and recently wrote a friend in Chicago that the Chicago police were a "bunch of rums." His friend displayed the letter.

A dispatch from Chicago states that Heesin was formerly an express wagon driver in that city and disappeared May 3 with a wagon containing $4,000 worth of jewelry and clothing.

Heesin was still at Conception Junction Tuesday under arrest, waiting for papers to take him back to Chicago.

MORE APPROVED SCHOOLS.

Than Any Other County in the State, Clinton County Being Second With 22.

In a letter from County Superintendent Oakerson written from Jefferson City where he is attending the meeting of the county superintendents, he says that Nodaway county has more approved schools than any county in the state. It has had approved altogether 38 schools but some of them are now dropped from the list as they have not kept up the requirements. Clinton county has the next highest with 22 approved schools.

BOIL THE WATER.

City Physician Fisher Advised the People To Not Only Boil City Water, But Also Well Water.

Dr. A. T. Fisher, city physician, advised the people to boil the water, both city and well water. The city water is very muddy and Dr. Fisher thinks that there are several conditions which demand that it be boiled before using. He thinks that the well water should also be boiled.

Has Gone to Texas.

Daniel McFarland, formerly editor of the Maryville Republican, has resigned his position with the Southwest American at Fort Smith, Ark., and has taken a place with the Star-Telegram, at Fort Worth, the leading afternoon paper of Texas. The new position is quite an advancement for Mr. McFarland, he writes.

Holding Court at Grant City.

Judge W. C. Ellison went to Grant City Monday where he convened the Worth county circuit court. Court Stenographer Brewer accompanied him.

Returned from the West.

R. A. Strawbridge returned Friday night from a several weeks' trip in North Dakota, Montana and Idaho. He is greatly impressed with the country.

THE WEATHER

Fair tonight and Wednesday; warmer tonight.

Escapes An Awful Fate.

A thousand tongues could not express the gratitude of Mrs. J. E. Cox of Joliet, Ill., for her wonderful deliverance from an awful fate. "Typhoid pneumonia had left me with a dreadful cough," she writes. "Sometimes I had such awful coughing spells I though I would die. I could get no help from doctor's treatment or other medicines till I used Dr. King's New Discovery. But I owe my life to this wonderful remedy for I scarcely cough at all now." Quick and safe, its the most reliable of all throat and lung medicines. Every bottle guaranteed. 50c and $1.00. Trial bottle free at Orear-Henry Drug Co.

J. F. DOWDEN,
Owner and Keeper.

Farmers' telephone 1-21.

EGOZELLE 38361.

Blood bay Stallion 15¾ hands high, weight, 1200 lbs. No better bred one in the United States as his breeding will show all the way through. His sire and dam was bred by Colonel Pepper of Kentucky.

His sire, Egolyte, is by Onward, sire of even 200 in the 2:30 list. Egolyte's dam was by Dictator, sire of 57 in 2:30 list.

Egozelle's 1st dam was by Norval, with 118 in the list.

2nd dam was by Onward, with 200 in list.

3rd dam by Robert McGregor, 112 in list.

4th dam by Almont with 40 in the list.

5th dam by Alexanders Norman, sire of a number in the list. She is also dam of Norval, sire of 118 in 2:30 list, and is the dam of Norris, sire of the dam of Lady Maud C. Rec. 2:00½ and Hedgwood Boy 2:01.

Egozelle's breeding runs to the 11th dam.

GLADSTONE, No. 0275.

Bay Stallion, 15¾ hands, weight, 1100 lbs., record 2:10¾, sired by Allegheny Boy, record 2:27¼; dam of Gladstone was by Star Hambletonian, record 2:22¼; 2d dam said to be by Charley B., record 2:25, by King's Champion. Both horses will make the season at my farm 3 miles west of Maryville at $15 to insure a live colt.

J. L. SCOTT.

PENNANTS All kinds at Crane's

Attention Horsemen!

The following horses and jack will make the season of 1912 at the Edgar C. Johnson barn in Burlington Junction:

GARDON (72476), foaled March 6, 1906. Imported from France in 1910 by Chas. R. Kirk for Percheron Importing Co., South St. Joseph, Mo., and Chariton, Ia.; is recorded in the Percheron Register and his American number is 44472. Color gray; weight 1920 pounds; age 6 years.

HERON (77480), foaled April 22 1907. Imported from France in 1909 by Chas. R. Kirk of Chariton, Ia., and South St. Joseph; is recorded in the Percheron Register and his number in America is 43378. Color dark gray; weight 2035 pounds; age 5 years.

HIGH MARK is a black jack, 15 hands high, with light points, 5 years old and weighs 1000 pounds, with good bone, style and action, extra good head and ear. Sired by Black Hawk, Jr., he by Stigall's Black Hawk (of Boyle Co., Ky.), he by Stigall's Mammoth Black Hawk, he by Brown's Marengo Mammoth, Marengo Mammoth sired by Imported Mammoth and his dam by Imported Marengo. Black Hawk's first dam is by John Brown's "Old Jennet," she by Imported Star of the West, and her dam was sired by Henshaw's "Old Jack" known as Isaac Wright, owned by James & Henderson, Clay county, Mo.

The pedigrees on the above horses can be seen on application to the owner. They have the blue seal of the French government.

TERMS—On Gardon and Heron, $15 to insure colt to stand and suck. High Mark $10. Colt stands good for service fee. Fee becomes due when mare is parted with or removed from vicinity. Care will be taken to prevent accidents, but will not be responsible should any occur.

DIRECT VOTE TO ELECT SENATORS

House Passes Joint Resolution Adopted by Senate.

BRISTOW'S LONG FIGHT ENDED

Measure Now Goes to President for Signature Before Being Submitted to the Various States for Approval.

Washington, May 14.—The long fight for an amendment to the constitution providing for the popular election of United States senators has been won. The house of representatives accepted the direct elections joint resolution as adopted by the senate with the Bristow constitutional amendment.

The Bristow amendment was intended to maintain the status quo of the federal government as to supervision over these elections and was the snag upon which the direct election resolution has been hung in conference, since last June.

House Concurred.

The house, by a vote of 237 to 39, receded from its disagreement to the senate amendment and concurred in the action of the senate. This was the final legislative step in proposing this new constitutional amendment to the states and the joint resolution will go at once to President Taft for his signature. Then it will be submitted to the states.

There are 48 states and ratification of the amendment by the legislatures of 36 of them is necessary to make it a valid part of the constitution. One legislature, that of Louisiana, will meet this month, and 34 other legislatures will meet in 1913. It is evident that unless some other state among those whose legislatures do not meet until 1914 calls a special session the direct election amendment cannot become part of the constitution before 1914.

Fight Began 86 Years Ago.

Few persons realize that the fight for the election of United States senators by a direct vote of the people was begun 86 years ago. It was in 1826 that the first resolution was introduced calling for the adoption of a constitutional amendment to make the people themselves the judges of the qualifications of the candidates who aspire to be senators. Since that time spasmodic efforts have been made to get the matter before the people.

The friends of Senator Bristow are congratulating him. It is regarded by many as the most important legislative act that has passed the congress for many years, as it changes the fundamental law of the republic, and brings the senate in close and direct contact with the people.

PHILIPPINE TREASURY GAINED

Statement Just Issued Shows Profit of Ten Millions in Eight Years.

Washington, May 14.—Ten million dollars in net profits from seignorage on silver coinage, sale of drafts and interest on gold reserve deposits is the record of the Philippine treasury for the last eight years, according to a bureau of insular affairs statement just issued. Modern American financial methods were introduced in the Philippines just eight years ago and since that time the profits have reached a total amounting to more than 45 per cent of the outstanding circulation. Reserve for the maintenance of the gold standard, having climbed to 46 per cent, is to be reduced to 35 per cent to meet the excess in the treasury.

CHICAGO SHIPS CATTLE WEST

Live Stock World Topsy Turvey When Missouri Gets Thin Stock From East.

Kansas City, May 14.—Twenty-four carloads of thin cattle known to the trade as stockers, arrived in Kansas City from Chicago. They sold at $6 to $6.65, or about 50 to 65 cents a 100 pounds more than they cost in Chicago. This indicates that the live stock world is turned topsy turvey, and the Central West is drawing supplies of thin cattle from the East, a condition that never before prevailed, and is due entirely to the scarcity of stock cattle west of the Mississippi river.

Dentists Meet at Springfield.

Springfield, Ill., May 14.—Mayor Schnepp this morning welcomed the members of the Illinois State Dental society, assembled in the First Congregational church for their forty-eighth annual meeting. J. W. Cormany of Mount Carrol responded, and President C. C. Corbett of Edwardsville, delivered his address. The society then settled down to the reading and discussion of committee reports and technical papers, and will keep this up until Friday afternoon.

Edwin Hawley's Brother Dead.

Chatham, N. Y., May 14.—Charles W. Hawley, who inherited $2,000,000 a few weeks ago, from the estate of his brother, the late Edwin Hawley of New York city died here. He was 63 years old.

WHAT ARE MIRACLES?

William S. Campbell in Washington Post, May 12:

A great deal has been said of late about the miraculous escape of certain persons on board the Titanic, and speculation as to why others were not also miraculously saved. The Post a few days ago quoted a Chicago gentleman who was visiting in Washington as saying: "We are told that 'the prayer of the righteous man availeth much,' and it would seem that others should have been saved by a miraculous intervention. But the ways of Providence are past finding out, and we can only wonder at the mystery of it all."

It is entirely reasonable that such questions should arise. If the Bible is true, and this is the general consensus of opinion, then why cannot its statements be relied on? The Scriptures abound with promises of protection to those who depend on divine power. There is surely something wrong somewhere. May it not be that the failure lies in not understanding the method by which the promises may be realized?

Christian Science puts forth the bold proposition that there is a scientific method of determining the existence of a metaphysical or spiritual law, and its availability for human needs. It is proving its proposition with a measure of success that gives assurance of greater things in the future.

On board the Titanic was a Christian Scientist, C. H. Lightoller, the second officer of the ship. This officer went down with his ship. To use his own words: "I was taken under the water and held fast by suction. I thought of myself, 'Now it is to be proved if I have advanced in Science sufficiently to make this demonstration.'"

In other words, he set about proving the existence of metaphysical law. He was proving the promise of Scripture, "The Lord on high is mightier than the noise of many waters; yea, than the mighty waves of the sea."

It is evident that the officer's faculties were not paralyzed by fear. This was the first step in the proposition he was proving. Soon he was blown to the surface by air forced out of the ship. A big funnel fell into the water at his side and produced a wave that carried him out of danger of being again drawn down by suction.

There was nothing miraculous about all this, nor yet in the fact that he spent the night on an upturned lifeboat and was picked up in the morning. One thing that surprised many was the fact that he experienced no ill effects from the exposure and privation. With the exception of half an hour, when he was waiting for dry clothing, he was not in bed from the time he left his own ship till he landed in New York.

"I have been told by many," stated Mr. Lightoller, "that they cannot understand how I maintained my mental equlibrium under so great a strain. That is because they do not understand the source of my strength." He added that this mastery was due entirely to his study of Mrs. Eddy's teachings.

One of his first acts after reaching Washington was to purchase a copy of the Bible and of "Science and Health with Key to the Scriptures," to replace those that had been lost. To him these were text-books on law, not the law of physics but the law of metaphysics, the availability of which he had proved.

This officers did not attribute his rescue to a "Miraculous intervention." He did not believe in miracles in the popular acceptation of that term. He believed that the Creator governs His universe by means of law, and that it was not necessary for Him to suspend his own law in order to manifest His goodness.

He had acquired some degree of understanding that there is a law above the physical, in other words, the metaphysical. A superior law always annuls an inferior one; therefore the inferior one is not really law at all, and has power only so long as the existence of the superior law is unknown.

It should be remembered that the word "miracle originally meant "marvel," and comes from a root word meaning "to wonder." Now, we wonder or marvel at things that we do not understand. If we did understand, the wonder would be gone.

The marvelous things that were of frequent occurence in the early centuries have been largely misunderstood in these later centuries and have resulted in two sets of opinions, one that they occurred but were in contravention of law; the other that they never occurred because law is immutable.

Christian Science makes it plain that these alleged phenomena were entirely feasible, and that they were in accordance with law; that law changes not ,and is therefore operative today and always. Said he who spoke with divine sanction: "Think not that I am come to destroy the law; I am not come to destroy, but to fulfil."

Miss Anna Osborn returned Monday from a visit of two weeks' at Elmo with her aunt, Mrs. Will Aldrich.

THE WILLYS-OVERLAND CO. Overland TOLEDO, OHIO, U.S.A.

$1200

The Choice of the Majority

There are more Overland cars being bought today than any other similar type of car produced. We average five sales to the other makers' one. Have you ever stopped to figure this out? Has the full force of this significant fact been brought home to you? Do you imagine we are selling more merely because we are making more?

WE ARE MARKETING THE GREATEST NUMBER OF CARS PURELY AND SIMPLY BECAUSE WE CAN GIVE MORE FOR A DOLLAR THAN ANY OTHER MANUFACTURER IN THE BUSINESS.

The greatest number of people today who are buying high grade popular priced cars are choosing the Overland. Figures prove this. Does it not occur to your sense of reasoning that this vast majority of shrewd buyers **CANNOT BE** wrong?

The unparalleled value of this car has moved the motor buying public of every civilized country under the sun. The response is world wide. What better guide can you have as to how to get the best and most for the least amount of money?

The exceptional worth of this car has been proven. Not in any one way, but in a thousand different and distinct ways. Yet there is but one big practical reason why you should buy an Overland. Its purchase gives you more actual car value for less actual money than you can get from any other manufacturer in the world.

The only apparent and practical difference in popular priced cars today is the difference in price, and this is entirely due to the wide difference in the size of the plants that produce them. A comparision of current market prices places this evidence in your own hands. By that we mean just this: Take our magnificent, powerful Model 60—shown here. This car is priced at $1200. **BY ACTUAL COMPARISON YOU WILL FIND THIS CAR THE DUPLICATE OF ANY OTHER $1500 CAR MADE.** To be more specific—it has the power, the speed, the seating capacity, the wheel base, the construction, the bearings, the comfort and finish and on top of that it will give better and longer service.

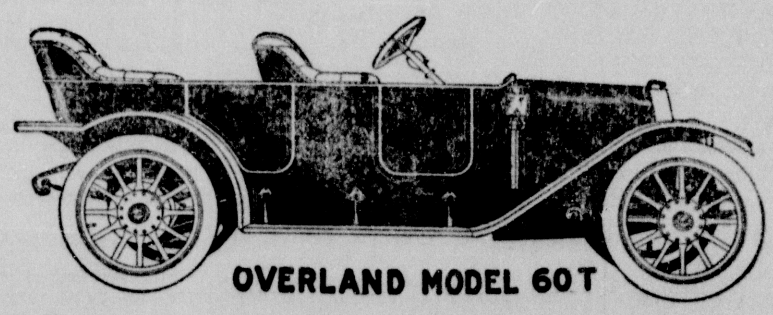
The value of a car can be justly judged by the demand for it. We are the largest producers of thirty, thirty-five and forty-five horse-power cars in the industry. The public have forced this condition. We never have been able to supply the demand. This year we will make 25,000 cars. Right now we are shipping 125 cars a day. We have over 2000 immediate orders on hand. It is not unusual for us to find three to four hundred shipping orders in one morning's mail. We export more cars each year than the entire annual output of any automobile plant in Europe. This gives you some idea of our tremendous capacity.

Model 60 is a thirty-five horse-power, five-passenger touring car. It is big, handsome, powerful, comfortable and efficient. It will give you years of service. According to the run of market prices, it is a $1500 car for $1200. In order to get this much value for $1200 you must buy an Overland "60" or pay at least $1500 for some other make. Which shall it be? See our dealer below and decide early. Handsome catalog on request.

The Willys-Overland Co., Toledo, Ohio

SEWELL & CARTER

East Side Square, Maryville — Burlington Junction



OVERLAND MODEL 60 T

NOSE STOPPED UP WITH CATARRH

A Common Sense Treatment for Colds and Catarrh. Gives Instant Relief.

No matter how miserable you are with catarrh or a cold in the head, nose stopped up, throat sore, eyes running, dull pain in the head, dry cough, fever, foul breath, Ely's Cream Balm will give you instant relief.

It gets right at the root of the trouble, cleanses, heals and strengthens the raw, sore membranes, stops the nasty discharge so that you are not constantly blowing the nose and spitting. In a few minutes after applied you can just feel it doing its work of clearing the head, the pain and soreness are relieved, the breathing becomes natural and the stuffed up feeling is gone. This cleansing, healing, antiseptic Balm contains no mercury, cocaine or other harmful drugs. It is easy to apply, pleasant to use, and never fails to give relief, even in the worst cases.

Never neglect a cold, and don't suffer the miseries of catarrh nor disgust your friends with your hawking, spitting and foul breath. Get a 50 cent bottle of Ely's Cream Balm from your druggist, and start the treatment at once. You will find that it will be the best investment you ever made.

MADERO'S PLANS DRAWN IN U. S.

Federal Campaign Said to Have Been Planned in Washington.

GOVERNMENT HELPING MEXICO?

Arms Permitted to Cross Border for Madero, But Not for Orozco—Revolutionary General Not Discouraged by Defeat.

Washington, May 14.—With the return of Capt. Frank R. McCoy, of the general army staff, to Washington from Mexico, it is reported and not denied that the plan of campaign now being followed by the federal troops against Orozco was drawn at the military war college in this city. It is hinted that the use of these plans by Madero was authorized by the United States.

It has just developed that about six weeks ago Capt. McCoy left Washington on a secret mission, ostensibly to Panama. After visiting the canal zone, Capt. McCoy went to Mexico City. His presence in the capital of Mexico was admitted by the war department.

Victories Due to Cavalry.

Coincident with his arrival there the present plan of campaign against Orozco was put into execution by the Madero government.

It was pointed out by army officers here that the federal victories in Mexico were due to employment of the cavalry arm. Capt. McCoy is the expert cavalry strategist on the staff of Major General Wood. He is entirely familiar with the plans drawn by the military war college covering every possible military contingent within the republic of Mexico.

On a number of occasions Secretary Stimson has made open admission of the remarkable fact that the administration has lent open assistance to the cause of Madero. This attitude was assumed when President Taft reversed his own proclamation of neutrality and permitted unlimited arms and ammunition to be shipped to Mexico for federal use, while denying similar privileges to the followers of Orozco.

Orozco Penned Up.

Reports were received here that federals had flanked Orozco and penned him up somewhere south of Escalon. The rebel general's plight is reported to be a serious one and as each day's delay gives the governmental force an opportunity to bring up troops, Orozco is expected to make a desperate effort to reach Escalon.

The entire federal force is being rushed to attack the rebels main division, it is reported here, and should Orozco succeed in reaching Escalon he will be surrounded and an effort made to starve him out as his force in the North is believed insufficent to penetrate the government lines and come to his relief.

Revolution Barely Started.

Jiminzez, Chihuahua, Mex., May 14.—Though driven back north from their positions at Conejos and Peronal, in their efforts to fight through to Torreon, the rebels have rallied in their trenches at Rellano and Gen. Orozco declares he is not only in position to repulse the federals if they come north, but that he is surrounding them. The rebel chief says the revolution has only just started, declares he inflicted heavier loss upon the federals than he sustained himself and that while he was falling back from Conejos his flankers were getting into such a position that he now virtually has the federals bottled up.

SPELLERS DREW GREAT CROWD

Seventy-Three Counties in State Contest at Jefferson City—Tie on Third Place.

Jefferson City, May 14.—Hugh Sappington of Clarksburg, Moniteau county, won first prize in the state spelling contest held here, in which 73 counties were represented. Sappington mispelled 14 of the 200 words pronounced. He received $100. Helen McClain of Scotland county, won the second prize of $50. She missed 18 of the 200 words. Ernest Campbell of Buckner and Elvan Allan of Green Castle, tied on third place and the $25 prize was divided equally between them.

The "bee" drew a large crowd.

Both Claim California.

Los Angeles, May 14.—The usual statements from all sides expressing confidence in success at the polls marked the close of the presidential preference primary campaign in this end of the state. The intensity of the struggle between adherents of President Taft and those of Col. Roosevelt overshadowed the activities of the Democrats, although a close contest is predicted between Clark and Wilson in the balloting.

Convention of Photographers.

Rockford, Ill., May 14.—The annual convention and exhibition of the Illinois Photographers' association opened here today with an attendance and display of photographs that assure success. Several lectures by well-known experts are on the program, and the list of prizes for exhibits is attractive. The convention will adjourn Thursday.

Will Teach the Stenotype.

Miss Dorothy Bean of Creston, Ia., visited in Maryville a short time Saturday evening with her sister, Mrs. Dan Holmes. Miss Bean left on the Wabash train Saturday night for Owensboro, Ky., where she will perfect herself in a knowledge of the stenotype at the manufactory. Miss Bean graduated from Brown's business college of Galesburg, Ill., last November, and she is being sent by the directors of the college to Kentucky to learn the stenotype at the manufactory at Owensboro, for the purpose of teaching it in Brown's college at Galesburg. The stenotype is a new machine lately invented for writing stenography. It is claimed that it will write 250 words per minute, and that it will revolutionize stenography, as it is now used, as soon as its merits are made known throughout the business colleges.

Here from Bolckow.

Mr. J. H. Goforth and his daughter, Mrs. Wier Cooper of Bolckow, came to Maryville Sunday night to remain a few days with their son and brother, W. E. Goforth, who underwent a surgical operation at St. Francis hospital Monday morning.

Revival Meetings Still Continue.

Rev. W. J. Parvin preached a sermon Monday night at the revival meetings at the M. E. Church, South, on "The Resurrection of Lazarus." A good attendance was present. Rev. Parvin will preach again tonight and Miss Myrtle Sheldon will sing a solo.

George Young and his mother, Mrs. Louis Young, of St. Joseph, returned to their home Monday evening after a three days' visit with the family of their son and brother, C. C. Young.

Mrs. T. L. Wadley returned Monday from a visit since Thursday at Burlington Junction with her sister, Mrs. Lulu Herrington, and her uncle and aunt, Mr. and Mrs. W. G. Sayler.

Mrs. Carl Wray and her little daughter, Mary, have returned to their home at Guilford from a week's visit with Maryville and Parnell relatives.

Miss Rebecca Miller and Miss Ruth Westfall of Barnard, returned to their home Tuesday from a day's visit with Miss Mildred Binter.

Mrs. F. M. Ryan of Quitman is the guest of the families of her brother and sister, J. Ed Costello and Mrs. R. Saunrers.

Mrs. Effie Morris and son, Marion, and Miss Ethel Morris of Pickering, were in Maryville Monday.

Mr. and Mrs. C. W. Reidlinger and daughter, Miss Mary, of Clyde, were Maryville visitors Monday.

Mrs. Rolla Rees and Miss Hattie Barker of Burlington Junction were in the city Monday.

Mrs. A. W. Enis and son, Eugene, of Clyde, are visiting her brother, E. L. Ferritor, and family.

Mrs. Vina Cain went to St. Joseph Monday evening to make her home.

J. H. Sewell spent Sunday in Burlington Junction with his family.

Oakley Gibbs of Omaha, was in Maryville Monday on business.

Born to Mr. and Mrs. Alva Maul Sunday morning, a baby girl.

A Feudist to Prison.

Oklahoma City, Ok., May 14.—The criminal court of appeals in an opinion by Judge Thomas H. Doyle affirmed the conviction of Robert Davis, sentenced to two years from McIntosh county for cattle stealing. Davis and "Pony" Starr were formerly leaders of the Davis faction in the famous Porum feud.

Los Angeles Pressmen Stay.

Los Angeles, Cal., May 14.—The pressmen of the Los Angeles Examiner will ignore the call of President Berry of the International Web Pressmen's union and remain at work, it is understood. The contract, which was signed about a week ago, carried a raise in wages.

Woman Failed at Murder.

St. Joseph, Mo., May 14.—Mrs. Al Van Wye, 25 years old, wife of a bartender, fired two bullets at her sister with whom she had quarreled. Neither shot took effect and Mrs. Van Wye then sent two bullets into her own head and died almost instantly.

Will Attend Maneuvers.

Nevada, Mo., May 14.—General Clark and General Rumbold of the Missouri national guard issued orders designating the Second as the regiment from Missouri which will participate in the war game at Fort Leavenworth, August 18 to 29, this year.

WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well.

I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends."

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you.

It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui.

Your druggist sells and recommends it. Get a bottle from him today.

OLD SCALE GOVERNS

MAJORITY OF CONTRACTORS SAY 20C PER HOUR IS THE PRICE

MEN'S SIDE OF THE STORY

One of the Strikers Made Statement That Men Are Required To Do Summer Work at Winter Price.

The matter of establishing a wage scale for common laborers at the new postoffice building under course of construction, was settled Monday afternoon as a majority of the contractors written to for information as to the prevailing wages, have answered that it was 20 cents per hour. One contractor in his letter said that he was paying 22½ cents an hour, but three others stated that 20 cents an hour was all that they were paying. Two other contractors were written to for information, but they had not replied and the laborers on the job told J. R. Edwards, superintendent in charge, that they would take what those contractors that had replied had said that they were paying for labor. The letters received were read to the boys Monday afternoon by Mr. Edwards and since they made the proposition themselves to abide by what other contractors were paying for labor, they accepted the terms of 20 cents an hour.

It is thought now that there will be no more strikes as all the boys were back to work Tuesday morning.

A statement from one of the boys on the job as to the points in controversy follows:

"As the so called strike has caused so much excitement in our city, perhaps it would be well for the so called strikers to state definitely just what they are contending for. The usual contention in a strike is higher wages and shorter hours. But in this case the hours has nothing to do with it. Uncle Sam states that no man can work one minute longer than 8 hours. Then the only question is the price per hour or rather the net sum per day.

"The price paid is 20 cents per hour. Eight hour a day gives the laborer the meager sum of $1.60 per day, $9.60 per week, providing it does not rain.

"The price asked for is 25 cents or $" per day which is yet very low wages.

"Let me state right here before I go into this discussion that Mr. Edwards is a fine boss and all the boys like to work for him. But Mr. Edwards is a business man and now represents W. D. Lovell & Co.

"After some arguments had taken place a plan of settlement was agreed upon. It was: that Mr. Edwards was to write to four local contractors asking what they were paying their common laborers, thus gaining the wage scale. The four contractors named were Lincoln Bent, Frank Bolin, Henry Foster and Martin Borrusch. Mr. Edwards suggested that a majority might not be gained and suggested that he send letters to C. C. Young and Marion Ulmer.

"The result of this was certainly a surprise to us. Mr. Bolin writes that he is paying 22½ cents per hour, nine hours a day. Mr. Bent writes that he is paying 20 cents per 10 hours per day. The greatest surprise came when Henry Foster said he was only paying $1.70 per day and working ten hours per day and that his men were satisfied.

"Mr. Edwards in his letter which as agreed should have been shown to us before he sent them, stated that he did not want the wages paid to men who could put up scaffolds or derricks. We believe that this clause and the word common caused these contractor to give the scale on pick os or scrubs.

"We learned after Mr. Edwards had stated that he had not heard from Martin Borrusch, that Mr. Borrusch had replied and that it read something as follows: "I think that 25 cents per hour is a fair price." The cause of such a reply was that Mr. Borrusch is not working at present, yet he states to us that he had not heard from Mr. Borrusch.

"So the temporary agreement has come to a close and now what? The summer is the only time we can make money. It takes all we can make in the winter to live on. If we work at his price in the summer too, our living is all we will get. Should any man work for such wages, especially on a government job, that in the end the best he can hope for is a good room in the county poor farm."

"We have done what we though was right to ourselves, our families and our town. A. STRIKER."

BLIND MAN DIED.

Frederick Rachau of Skidmore Buried Sunday—Had Been Blind Since the Civil War.

Frederick Rachau, about eighty years old, died at his home in Skidmore Friday evening, and was buried Sunday afternoon. He saw service in the civil war and ever since that time had been blind. The funeral services Sunday were conducted at the home by Rev. Reuben Barrett, also an old soldier, and the pallbearers were all members of the G. A. R. He is survived by a brother, who lived with him, and several children, Charles Rachau of Monroe township, being a son. A daughter, Mrs. Joseph Fullerton of Dayton, Nebr., attended the services. Mrs. Rachau died a number of years ago.

MADE THE BEST RECORD.

Mrs. Georgia Beedle, a Business College Student, Took Down 10,000 Words in Five Hours.

Mrs. Georgia Beedle has completed the shorthand course in the Maryville Business College, having made the best record ever made in the school. She completed the course in just 107 days, and established a record which is hard to beat. Mrs. Beedle took from dictation and transcribed on the machine, nearly 10,000 words in 5 hours, making a rate of 100 words a minute for dictation and transcribed it at the rate of 38 words per minute.

Mrs. Beedle has a position waiting for her in Oregon which she will accept the first of July. In the meantime, she will do some work in bookkeeping.

TO PUT ROAD THROUGH

Normal to Take Steps at Once on Road from Storm Avenue Over Wabash Tracks.

A consultation this morning between W. A. Blagg, president of the Board of Regents, and President Taylor, resulted in the decision to take steps immediately in putting a road through from Storm avenue, over the Wabash tracks, and up to the east side of the Normal building. It is also proposed to make an oiled road demonstration in the near future. The road which leads from the south entrance of the campus to the building, will be used in this demonstration.

TO MEET IN JUNE.

Assessors to Meet the First Week in June—Meeting Was to Have Been Held Saturday.

The various township assessors who were to have met Saturday in this city, will not meet until the first week in June. There was only one assessor present Saturday being E. D. Woodward of White Cloud township, outside of the Polk township assessor, E. F. Hamlin, and it was though best to meet with the county court which will be in session the first week in June.

Returned to Chicago.

Mrs. J. B. Morrison, who has been in Maryville for ten days looking after business matters, left for Chicago Monday, where she and Dr. Morrison and Miss Mildred Morrison will continue to reside while Miss Mildred is pursuing her vocal studies. They have leased their residence on South Main street, but will return to Maryville to resume their residence. Miss Morrison will have singing engagements the coming summer in the west and northwest, and next year will sing under engagements made by the Redpath bureau of Chicago. Her voice teacher is Mr. Alfred Williams, who was a pupil of Jean de Resky.

An abundance of music will be furnished by Prof. Lawler's orchestra.

Agent Goforth's Relief.

Mr. F. E. Whitchurch, telegraph operator at the Burlington station, has been appointed to fill the position of Agent W. E. Goforth during his illness. Mr. Goforth is doing very nicely since his operation on Monday, but it will be two or three weeks before he will be able to leave the hospital. G. T. Shipley of Griswold, Iowa, arrived Monday to take Whitchurch's place as operator until Mr. Goforth's recovery.

Rev. Crowe Returned Home.

Evangelist Crowe, who has been conducting a successful revival at the M. E. Church the past two weeks, returned to his home in Salisbury Monday. The meetings will continue until further notice, the pastor, Rev. W. J. Parvin preaching.

Mrs. F. Reimer of Lenox, Iowa, was in Maryville Monday forenoon on her way to Stanberry to visit her son, T. F. Reimer and family.

OPEN HOUSE JUNE 5

OCCASION OF GOVERNOR HADLEY'S VISIT TO THE NORMAL.

WILL TALK ON RURAL LIFE

Prominent Men to Talk on Subjects of Interest—Governor is to Attend Reception After Evening Talk.

It was positively decided Tuesday at the Normal to have a conference on rural community life on the afternoon of Wednesday, June 5, at which time Gov. Hadley will be here and will preside at the meeting. Such subjects will be discussed as "The Rural Home," "Rural Consolidation of the Schools," "Good Roads," "Conservation of the Soil" and other subjects of vital interest to the whole country.

Prominent and capable men will be appointed to lead in the discussion of each subject and an opportunity will be given for the general discussion of each question. Considerable interest has already been manifested by prominent men over the district and the occasion bids fair to result in great and lasting good to the community.

Arrangements are being made this week for the "Open House" and reception to Gov. Hadley, who will be the guest of the Normal school on Wednesday, June 5. He is to speak also on Wednesday evening at the Normal auditorium, after which the reception will be held. The public is invited to attend.

President Taylor is arranging to make the event one of the biggest in the history of the school.

POST GRADUATE RECITAL.

To Be Given in Conservatory Hall This Evening—the Program.

Tonight at the conservatory recital hall will occur the post-graduate recital of Miss Eunice Mae Garten. Miss Garten will be assisted by the Normal male quartet. The program follows:

Quartet—Bendemeer's Stream..... ..... Gatty
Mazurka Op. 6 No. 1.....Chopin
Valse Op. 64 No. 2.....Chopin
Concert Etude, Op. 42 No. 1...Godard

DEATH OF MISS SILVANDER.

Ill a Month in Ensworth Hospital of St. Joseph—Burial Near Guilford.

Miss Carrie Silvander, a sister of Mrs. Soren Hanson of Guilford, died in Ensworth hospital of St. Joseph Saturday morning, and the funeral services were held Saturday in the M. E. church, South, of Guilford, conducted by Rev. S. E. Hoover. Burial was in Grave's cemetery, near town. Quite a delegation from the Rebekah lodge of St. Joseph, of which Miss Silvander was a member, accompanied the body to Guilford for the funeral. Miss Silvander had been employed in St. Joseph for some time.

Case Appealed to Circuit Court.

The case of Nodaway county vs. J. F. Roelofson, public guardian in charge of estate of Robert O. Williams, a person of unsound mind, was appealed from probate court to circuit court. A demand was made on the estate for over $6000 for keeping and maintainance of Williams in the asylum at St. Joseph. The case will come up at the June term of court.

Attended Church Services.

Mrs. George Holbrook and Mrs. H. P. McClure of Braddyville, Iowa, and Miss Laura Bail of Hopkins, returned to their homes Monday from a stay in Maryville since Saturday. They came to attend the Old School Baptist services that were held Sunday at the homes of W. T. Cabbage and Henry Foster.

Settled a Loss.

C. D. Hooker was in Skidmore Monday and settled the damage that was done to Thodosia Peters house which was damaged by fire on Sunday. He was allowed $25. Mr. Hooker represented the Mutual Fire and Lighting Insurance company of the county.

Have a New Daughter.

Mrs. and Mrs. Alva Maul announce the birth of a ten-pound daughter Sunday morning, May 12, 1912. The baby has been named Lela Myrtle.

BUSINESS COLLEGE EXERCISES.

Franklin Pierce Jolly of Joliet Will Address the Class on Thursday Night, June 27.

The Maryville Business College commencement exercises will take place the night of June 27 in one of the Maryville churches. Mr. Franklin Pierce Jolly, the well-known lecturer, will deliver the address to the class on the subject "How to Win the Race of Life."

The list of graduates is not yet ready to be presented, but President Cook announces that there will be twenty-five or thirty.

The class has elected its officers and commenced plans for the closing night. The officers are: Miss Katie Merrigan of Clyde, president; Miss Marie Bleuel of Maryville, vice-president; Mr. Mark Basford, secretary, and Mr. M. J. Hull, treasurer.

Franklin Pierce Jolly has appeared in Maryville a number of times on the lecture platform and he will attract a big crowd for the Maryville Business College commencement night.

CLUB TO MEET.

Regular Monthly Meeting of the Commercial Club to Be Held Tuesday.

The regular monthly meeting of the Commercial club will be held on Tuesday evening, May 14. A full attendance is desired as many important matters will come up.

One of the matters that will be considered is the weekly community sales. A time will be selected to pull off the first one and it will probably be the first week in June. The club seems to be strongly in favor of these sales. The plan is to have these sales days Wednesday of each week and have the merchants offer unusual bargains and then to have an entertainment of some kind for the people, such as a band concert and other features.

Another matter will be the paid secretary. The committee that has charge of the matter, will report the feasibility of the plan. The committee has a large number of applicants for the position.

CELEBRATED ANNIVERSARY.

Epworth League of First M. E. Church Had Exercises for Its 23d Anniversary

The Epworth league of the First M. E. Church celebrated its 23d anniversary of its organization Sunday evening. Miss Mary Q. Evans had charge of the program which consisted of music numbers and speeches by the newly elected officers of the league. The newly elected officers were installed by Dr. J. S. Ford.

The musical numbers consisted of songs by a double quartet composed of Misses Gladys Ford, Irene Kemp, Lucile Airy and Nell Wray and Messrs. Lona Perrin, Leo Keener, G. Maater and Clarence Perry and a clarinet solo by A. M. Bennett.

TO PLAY TARKIO COLLEGE.

Fast Game Promised for Wednesday Afternoon at Normal Park.

The baseball game tomorrow at the Normal athletic park between the Normal and Tarkio should be a great exhibition of the national game. The locals have been going at a fast clip of late and the collegians have a winning team this year. They defeated the locals at Tarkio two weeks ago by a score of 6 to 7 and of course the teachers will play all the ball they know to turn the tables. Coach Moore will present the same line-up as in the Amity game. The Tarkio squad were in Maryville over night Monday on their way to Cameron where they play Missouri Wesleyan college today.

Returned to Kansas City.

Mrs. F. N. Scott and children returned to their home in Kansas City Tuesday morning. They were accompanied by Miss Nelle Campbell, who will visit them a few days, and then go on to Eskridge, Kan., to assist Mr. Scott in opening his new store there. Mr. Scott moved his Maryville stock to that place.

Visiting Her Husband.

Mrs. E. A. Morast of Kansas City arrived in Maryville Saturday evening to spend a few weeks with Mr. Morast, who is the linotype operator for the Democrat-Forum. Mr. Morast came to Maryville a week ago to take the place of Mr. Frank Hart, who is off on a vacation.

Guests at Schumacher Home.

Miss Florence Lynch of Monmouth Ill., is the guest of Misses Lenore and Rose Schumacher this week. Miss Lynch came here several days ago to visit her cousin, Mrs. Jerry Vaughn living north of Maryville.

A BUNCH OF RUMS

LETTER WRITING ABILITY LEADS TO ARREST OF WORKMAN.

THE POLICE DIDN'T LIKE IT

Frank Opionion Expressed in Letter to a Friend Was Displayed in Chicago Where He Was Wanted.

Safe, as he though in Conception Junction, Louis H. Heesin, going under the name of "Miller" was arrested Monday at that place by two detectives from Chicago, where he is charged with taking $4,000 worth of jewelry and clothing.

Heesin had been at the Junction for about a week or so and was working at the roundhouse of the Great Western. When he called for his mail Monday under the name of "Miller" at the postoffice in the Junction, two dectives were standing near and arrested him at once.

Heesin thought he was safe at that place and recently wrote a friend in Chicago that the Chicago police were a "bunch of rums." His friend displayed the letter.

A dispatch from Chicago states that Heesin was formerly an express wagon driver in that city and disappeared May 3 with a wagon containing $4,000 worth of jewelry and clothing.

Heesin was still at Conception Junction Tuesday under arrest, waiting for papers to take him back to Chicago.

MORE APPROVED SCHOOLS.

Than Any Other County in the State, Clinton County Being Second With 22.

In a letter from County Superintendent Oakerson written from Jefferson City where he is attending the meeting of the county superintendents, he says that Nodaway county has more approved schools than any county in the state. It has had approved altogether 38 schools but some of them are now dropped from the list as they have not kept up the requirements. Clinton county has the next highest with 22 approved schools.

BOIL THE WATER.

City Physician Fisher Advised the People To Not Only Boil City Water, But Also Well Water.

Dr. A. T. Fisher, city physician, advised the people to boil the water, both city and well water. The city water is very muddy and Dr. Fisher thinks that there are several conditions which demand that it be boiled before using. He thinks that the well water should also be boiled.

Has Gone to Texas.

Daniel McFarland, formerly editor of the Maryville Republican, has resigned his position with the Southwest American at Fort Smith, Ark., and has taken a place with the Star-Telegram, at Fort Worth, the leading afternoon paper of Texas. The new position is quite an advancement for Mr. McFarland, he writes.

Holding Court at Grant City.

Judge W. C. Ellison went to Grant City Monday where he convened the Worth county circuit court. Court Stenographer Brewer accompanied him.

Returned from the West.

R. A. Strawbridge returned Friday night from a several weeks' trip in North Dakota, Montana and Idaho. He is greatly impressed with the country.

THE WEATHER

Fair tonight and Wednesday; warmer tonight.

SCHOOL CLOSING DAY.

Gray Grove or Toad Hollow School Had Exercises Last Friday.

Miss Clara Clymens closed a very successful term at Gray Grove last Friday. Miss Clymens taught this school last year, and was well liked by everyone.

At eleven o'clock about sixty patrons and visitors came in with well filled baskets. The table was spread and all enjoyed the fine dinner. The saying "Toad Hollow is hard to beat," proved true as was shown by the fine dinner and the program which was rendered as follows:

Song .....Welcome School.
Recitation .....Only a Boy
Rolo Gray.
Reading .....Zella Griffith
Recitation .....Lazy Sue
Rose Murphy
Dialogue .....Aid Society
Song .....Where They Grew
Recitation .....Nebuchadnezzar
Beulah Hartness.
Recitation .....How Peck's Bad Boy Initiates His Pa
Ulva Drain.
Recitation .....
Mr. Candle Lends Five Pounds
Audrey Royer.
Exercise .....What We Do
Recitation .....Nellie Murphy
Song .....Farmer's Daughter
Mary and Beulah Hartness.
Recitation .....Joe Clymers
Flower Drill.
Recitation..When Teacher Gets Cross
Cecil Hayes.
Recitation .....Josiah Allen's Wife at the A. T. Stewart's Store
Mary Hartness.

On Visit to Daughter.

Mrs. Ann Turner went to St. Joseph Sunday morning to spend several weeks with her daughter, Mrs. J. S. Ames. She was accompanied on the trip by her son, M. A. Turner.

Went to St. Joseph.

Mrs. G. A. Nash accompanied Dr. Nash's nephew, George Nash, to St. Joseph Monday morning. The young man has been at St. Francis hospital taking treatment for several weeks, but has not improved.

MONEY BACK.

Here's Some Talk on Square Deal Lines.

Fifty cents; that's all, for a box of MI-O-NA stomach tablets that will bring a smile to your dyspeptic countenance ten minutes after the first dose.

And Orear-Henry Drug Co. states that if MI-O-NA doesn't end the misery of indigestion or banish stomach distress of any kind, you can have your money back.

This guarantee applies to the following aliments, gas, acidity, heaviness, distress after eating, fermentation, heartburn, waterbrash, belching, sourness, pain in stomach, biliousness, dizziness, nervousness, sleeplessness, bad dreams, nightsweats, headache, constipation, despondency, bloating, foul breath, coated tongue, sea or car sickness, morning sickness.

Fifty cents a box for MI-O-NA stomach tablets at Orear-Henry Drug Co., and druggists everywhere.

Important to Boarding House Keepers.

All persons who expect to keep Normal student boarders will be required to register their names with Mrs. A. R. Perrin, Dean of Women, by May 27. Apply to Mrs. Perrin for blanks for such registration. I wish to assure the people who expect to take boarders that this regulation is made in their interest as much as for the school. Our mutual co-operation will be greatly to the advantage of both. Asking your prompt attention to this matter, I am

Respectfully,
H. K. TAYLOR, Prest.

DIRECT VOTE TO ELECT SENATORS

House Passes Joint Resolution Adopted by Senate.

BRISTOW'S LONG FIGHT ENDED

Measure Now Goes to President for Signature Before Being Submitted to the Various States for Approval.

Washington, May 14.—The long fight for an amendment to the constitution providing for the popular election of United States senators has been won. The house of representatives accepted the direct elections joint resolution as adopted by the senate with the Bristow constitutional amendment.

The Bristow amendment was intended to maintain the status quo of the federal government as to supervision over these elections and was the snag upon which the direct election resolution has been hung in conference, since last June.

House Concurred.

The house, by a vote of 237 to 39, receded from its disagreement to the senate amendment and concurred in the action of the senate. This was the final legislative step in proposing this new constitutional amendment to the states and the joint resolution will go at once to President Taft for his signature. Then it will be submitted to the states.

There are 48 states and ratification of the amendment by the legislatures of 36 of them is necessary to make it a valid part of the constitution. One legislature, that of Louisiana, will meet this month, and 34 other legislatures will meet in 1913. It is evident that unless some other state among those whose legislatures do not meet until 1914 calls a special session the direct election amendment cannot become part of the constitution before 1914.

Fight Began 86 Years Ago.

Few persons realize that the fight for the election of United States senators by a direct vote of the people was begun 86 years ago. It was in 1826 that the first resolution was introduced calling for the adoption of a constitutional amendment to make the people themselves the judges of the qualifications of the candidates who aspire to be senators. Since that time spasmodic efforts have been made to get the matter before the people.

The friends of Senator Bristow are congratulating him. It is regarded by many as the most important legislative act that has passed the congress for many years, as it changes the fundamental law of the republic, and brings the senate in close and direct contact with the people.

PHILIPPINE TREASURY GAINED

Statement Just Issued Shows Profit of Ten Millions in Eight Years.

Washington, May 14.—Ten million dollars in net profits from seignorage on silver coinage, sale of drafts and interest on gold reserve deposits is the record of the Philippine treasury for the last eight years, according to a bureau of insular affairs statement just issued. Modern American financial methods were introduced in the Philippines just eight years ago and since that time the profits have reached a total amounting to more than 45 per cent of the outstanding circulation. Reserve for the maintenance of the gold standard, having climbed to 46 per cent, is to be reduced to 35 per cent to meet the excess in the treasury.

CHICAGO SHIPS CATTLE WEST

Live Stock World Topsy Turvey When Missouri Gets Thin Stock From East.

Kansas City, May 14.—Twenty-four carloads of thin cattle known to the trade as stockers, arrived in Kansas City from Chicago. They sold at $6 to $6.65, or about 50 to 65 cents a 100 pounds more than they cost in Chicago. This indicates that the live stock world is turned topsy turvey, and the Central West is drawing supplies of thin cattle from the East, a condition that never before prevailed, and is due entirely to the scarcity of stock cattle west of the Mississippi river.

Dentists Meet at Springfield.

Springfield, Ill., May 14.—Mayor Schnepp this morning welcomed the members of the Illinois State Dental society, assembled in the First Congregational church for their forty-eighth annual meeting. J. W. Cormany of Mount Carrol responded, and President C. C. Corbett of Edwardsville, delivered his address. The society then settled down to the reading and discussion of committee reports and technical papers, and will keep this up until Friday afternoon.

Edwin Hawley's Brother Dead.

Chatham, N. Y., May 14.—Charles W. Hawley, who inherited $2,000,000 a few weeks ago, from the estate of his brother, the late Edwin Hawley of New York city died here. He was 63 years old.

WHAT ARE MIRACLES?

William S. Campbell in Washington Post, May 12:

A great deal has been said of late about the miraculous escape of certain persons on board the Titanic, and speculation as to why others were not also miraculously saved. The Post a few days ago quoted a Chicago gentleman who was visiting in Washington as saying: "We are told that 'the prayer of the righteous man availeth much,' and it would seem that others should have been saved by a miraculous intervention. But the ways of Providence are past finding out, and we can only wonder at the mystery of it all."

It is entirely reasonable that such questions should arise. If the Bible is true, and this is the general consensus of opinion, then why cannot its statements be relied on? The Scriptures abound with promises of protection to those who depend on divine power. There is surely something wrong somewhere. May it not be that the failure lies in not understanding the method by which the promises may be realized?

Christian Science puts forth the bold proposition that there is a scientific method of determining the existence of a metaphysical or spiritual law, and its availability for human needs. It is proving its proposition with a measure of success that gives assurance of greater things in the future.

On board the Titanic was a Christian Scientist, C. H. Lightoller, the second officer of the ship. This officer went down with his ship. To use his own words: "I was taken under the water and held fast by suction. I thought of myself, 'Now it is to be proved if I have advanced in Science sufficiently to make this demonstration.'"

In other words, he set about proving the existence of metaphysical law. He was proving the promise of Scripture, "The Lord on high is mightier than the noise of many waters; yea, than the mighty waves of the sea."

It is evident that the officer's faculties were not paralyzed by fear. This was the first step in the proposition he was proving. Soon he was blown to the surface by air forced out of the ship. A big funnel fell into the water at his side and produced a wave that carried him out of danger of being again drawn down by suction.

There was nothing miraculous about all this, nor yet in the fact that he spent the night on an upturned lifeboat and was picked up in the morning. One thing that surprised many was the fact that he experienced no ill effects from the exposure and privation. With the exception of half an hour, when he was waiting for dry clothing, he was not in bed from the time he left his own ship till he landed in New York.

"I have been told by many," stated Mr. Lightoller, "that they cannot understand how I maintained my mental equlibrium under so great a strain. That is because they do not understand the source of my strength." He added that this mastery was due entirely to his study of Mrs. Eddy's teachings.

One of his first acts after reaching Washington was to purchase a copy of the Bible and of "Science and Health with Key to the Scriptures," to replace those that had been lost. To him these were text-books on law, not the law of physics but the law of metaphysics, the availability of which he had proved.

This officers did not attribute his rescue to a "Miraculous intervention." He did not believe in miracles in the popular acceptation of that term. He believed that the Creator governs His universe by means of law, and that it was not necessary for Him to suspend his own law in order to manifest His goodness.

He had acquired some degree of understanding that there is a law above the physical, in other words, the metaphysical. A superior law always annuls an inferior one; therefore the inferior one is not really law at all, and has power only so long as the existence of the superior law is unknown.

It should be remembered that the word "miracle originally meant "marvel," and comes from a root word meaning "to wonder." Now, we wonder or marvel at things that we do not understand. If we did understand, the wonder would be gone.

The marvelous things that were of frequent occurence in the early centuries have been largely misunderstood in these later centuries and have resulted in two sets of opinions, one that they occurred but were in contravention of law; the other that they never occurred because law is immutable.

Christian Science makes it plain that these alleged phenomena were entirely feasible, and that they were in accordance with law; that law changes not ,and is therefore operative today and always. Said he who spoke with divine sanction: "Think not that I am come to destroy the law; I am not come to destroy, but to fulfil."

Miss Anna Osborn returned Monday from a visit of two weeks' at Elmo with her aunt, Mrs. Will Aldrich.

THE WILLYS-OVERLAND CO. Overland TOLEDO, OHIO, U.S.A.

$1200

The Choice of the Majority

There are more Overland cars being bought today than any other similar type of car produced. We average five sales to the other makers' one. Have you ever stopped to figure this out? Has the full force of this significant fact been brought home to you? Do you imagine we are selling more merely because we are making more?

WE ARE MARKETING THE GREATEST NUMBER OF CARS PURELY AND SIMPLY BECAUSE WE CAN GIVE MORE FOR A DOLLAR THAN ANY OTHER MANUFACTURER IN THE BUSINESS.

The greatest number of people today who are buying high grade popular priced cars are choosing the Overland. Figures prove this. Does it not occur to your sense of reasoning that this vast majority of shrewd buyers **CANNOT BE** wrong?

The unparalleled value of this car has moved the motor buying public of every civilized country under the sun. The response is world wide. What better guide can you have as to how to get the best and most for the least amount of money?

The exceptional worth of this car has been proven. Not in any one way, but in a thousand different and distinct ways. Yet there is but one big practical reason why you snould buy an Overland. Its purchase gives you more actual car value for less actual money than you can get from any other manufacturer in the world.

The only apparent and practical difference in popular priced cars today is the difference in price, and this is entirely due to the wide difference in the size of the plants that produce them. A comparision of current market prices places this evidence in your own hands. By that we mean just this: Take our magnificent, powerful Model 60—shown here. This car is priced at $1200. **BY ACTUAL COMPARISON YOU WILL FIND THIS CAR THE DUPLICATE OF ANY OTHER $1500 CAR MADE.** To be more specific—it has the power, the speed, the seating capacity, the wheel base, the construction, the bearings, the comfort and finish and on top of that it will give better and longer service.

The value of a car can be justly judged by the demand for it. We are the largest producers of thirty, thirty-five and forty-five horse-power cars in the industry. The public have forced this condition. We never have been able to supply the demand. This year we will make 25,000 cars. Right now we are shipping 125 cars a day. We have over 2000 immediate orders on hand. It is not unusual for us to find three to four hundred shipping orders in one morning's mail. We export more cars each year than the entire annual output of any automobile plant in Europe. This gives you some idea of our tremendous capacity.

Model 60 is a thirty-five horse-power, five-passenger touring car. It is big, handsome, powerful, comfortable and efficient. It will give you years of service. According to the run of market prices, it is a $1500 car for $1200. In order to get this much value for $1200 you must buy an Overland "60" or pay at least $1500 for some other make. Which shall it be? See our dealer below and decide early. Handsome catalog on request.

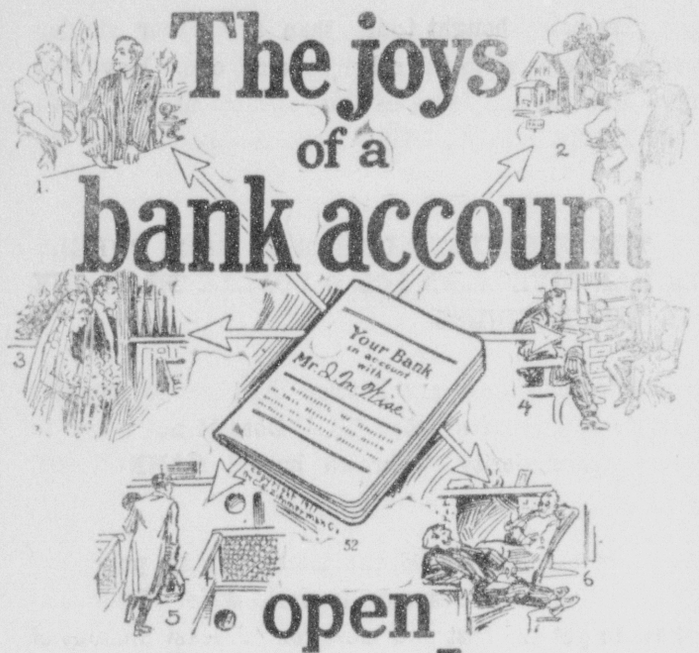
That Boy of Yours

It seems like yesterday that mother mourned the transition from skirts to trousers—his rocking horse will soon give way to the base ball and the pigskin.

He's developing, changing every day, and you haven't had his picture taken in more than a year—yes, it's two years last Christmas.

CROW, The Photographer



The joys of a bank account open one to-day here

The pictures above show many of the great joys of having a bank account.

NOSE STOPPED UP WITH CATARRH

A Common Sense Treatment for Colds and Catarrh. Gives Instant Relief.

No matter how miserable you are with catarrh or a cold in the head, nose stopped up, throat sore, eyes running, dull pain in the head, dry cough, fever, foul breath, Ely's Cream Balm will give you instant relief.

It gets right at the root of the trouble, cleanses, heals and strengthens the raw, sore membranes, stops the nasty discharge so that you are not constantly blowing the nose and spitting. In a few minutes after applied you can just feel it doing its work of clearing the head, the pain and soreness are relieved, the breathing becomes natural and the stuffed up feeling is gone. This cleansing, healing, antiseptic Balm contains no mercury, cocaine or other harmful drugs. It is easy to apply, pleasant to use, and never fails to give relief, even in the worst cases.

Never neglect a cold, and don't suffer the miseries of catarrh nor disgust your friends with your hawking, spitting and foul breath. Get a 50 cent bottle of Ely's Cream Balm from your druggist, and start the treatment at once. You will find that it will be the best investment you ever made.

What Texans Admire

is hearty, vigorous life, according to Hugh Tallman, of San Antonio. "We find," he writes, "that Dr. King's New Life Pills surely put new life and energy into a person. Wife and I believe they are the best made." Excellent for stomach, liver and kidney troubles. 25 cts at Orear-Henry Drug Co.

MADERO'S PLANS DRAWN IN U. S.

Federal Campaign Said to Have Been Planned in Washington.

GOVERNMENT HELPING MEXICO?

Arms Permitted to Cross Border for Madero, But Not for Orozco—Revolutionary General Not Discouraged by Defeat.

Washington, May 14.—With the return of Capt. Frank R. McCoy, of the general army staff, to Washington from Mexico, it is reported and not denied that the plan of campaign now being followed by the federal troops against Orozco was drawn at the military war college in this city. It is hinted that the use of these plans by Madero was authorized by the United States.

It has just developed that about six weeks ago Capt. McCoy left Washington on a secret mission, ostensibly to Panama. After visiting the canal zone, Capt. McCoy went to Mexico City. His presence in the capital of Mexico was admitted by the war department.

Victories Due to Cavalry.

Coincident with his arrival there the present plan of campaign against Orozco was put into execution by the Madero government.

It was pointed out by army officers here that the federal victories in Mexico were due to employment of the cavalry arm. Capt. McCoy is the expert cavalry strategist on the staff of Major General Wood. He is entirely familiar with the plans drawn by the military war college covering every possible military contingent within the republic of Mexico.

On a number of occasions Secretary Stimson has made open admission of the remarkable fact that the administration has lent open assistance to the cause of Madero. This attitude was assumed when President Taft reversed his own proclamation of neutrality and permitted unlimited arms and ammunition to be shipped to Mexico for federal use, while denying similar privileges to the followers of Orozco.

Orozco Penned Up.

Reports were received here that federals had flanked Orozco and penned him up somewhere south of Escalon. The rebel general's plight is reported to be a serious one and as each day's delay gives the governmental force an opportunity to bring up troops, Orozco is expected to make a desperate effort to reach Escalon.

The entire federal force is being rushed to attack the rebels main division, it is reported here, and should Orozco succeed in reaching Escalon he will be surrounded and an effort made to starve him out as his force in the North is believed insufficent to penetrate the government lines and come to his relief.

Revolution Barely Started.

Jiminzez, Chihuahua, Mex., May 14.—Though driven back north from their positions at Conejos and Peronal, in their efforts to fight through to Torreon, the rebels have rallied in their trenches at Rellano and Gen. Orozco declares he is not only in position to repulse the federals if they come north, but that he is surrounding them. The rebel chief says the revolution has only just started, declares he inflicted heavier loss upon the federals than he sustained himself and that while he was falling back from Conejos his flankers were getting into such a position that he now virtually has the federals bottled up.

SPELLERS DREW GREAT CROWD

Seventy-Three Counties in State Contest at Jefferson City—Tie on Third Place.

Jefferson City, May 14.—Hugh Sappington of Clarksburg, Moniteau county, won first prize in the state spelling contest held here, in which 73 counties were represented. Sappington pronounced. He received $100. Helen McClain of Scotland county, won the second prize of $50. She missed 18 of the 200 words. Ernest Campbell of Buckner and Elvan Allan of Green Castle, tied on third place and the $25 prize was divided equally between them.

The "bee" drew a large crowd.

Both Claim California.

Los Angeles, May 14.—The usual statements from all sides expressing confidence in success at the polls marked the close of the presidential preference primary campaign in this end of the state. The intensity of the struggle between adherents of President Taft and those of Col. Roosevelt overshadowed the activities of the Democrats, although a close contest is predicted between Clark and Wilson in the balloting.

Convention of Photographers.

Rockford, Ill., May 14.—The annual convention and exhibition of the Illinois Photographers' association opened here today with an attendance and display of photographs that assure success. Several lectures by well-known experts are on the program, and the list of prizes for exhibits is attractive. The convention will adjourn Thursday.

Will Teach the Stenotype.

Miss Dorothy Bean of Creston, Ia., visited in Maryville a short time Saturday evening with her sister, Mrs. Dan Holmes. Miss Bean left on the Wabash train Saturday night for Owensboro, Ky., where she will perfect herself in a knowledge of the stenotype at the manufactory. Miss Bean graduated from Brown's business college of Galesburg, Ill., last November, and she is being sent by the directors of the college to Kentucky to learn the stenotype at the manufactory at Owensboro, for the purpose of teaching it in Brown's college at Galesburg. The stenotype is a new machine lately invented for writing stenography. It is claimed that it will write 250 words per minute, and that it will revolutionize stenography, as it is now used, as soon as its merits are made known throughout the business colleges.

Here from Bolckow.

Mr. J. H. Goforth and his daughter, Mrs. Wier Cooper of Bolckow, came to Maryville Sunday night to remain a few days with their son and brother, W. E. Goforth, who underwent a surgical operation at St. Francis hospital Monday morning.

Revival Meetings Still Continue.

Rev. W. J. Parvin preached a sermon Monday night at the revival meetings at the M. E. Church, South, on "The Resurrection of Lazarus." A good attendance was present. Rev. Parvin will preach again tonight and Miss Myrtle Sheldon will sing a solo.

George Young and his mother, Mrs. Louis Young, of St. Joseph, returned to their home Monday evening after a three days' visit with the family of their son and brother, C. C. Young.

Mrs. T. L. Wadley returned Monday from a visit since Thursday at Burlington Junction with her sister, Mrs. Lulu Herrington, and her uncle and aunt, Mr. and Mrs. W. G. Sayler.

Mrs. Carl Wray and her little daughter, Mary, have returned to their home at Guilford from a week's visit with Maryville and Parnell relatives.

Miss Rebecca Miller and Miss Ruth Westfall of Barnard, returned to their home Tuesday from a day's visit with Miss Mildred Binter.

Mrs. F. M. Ryan of Quitman is the guest of the families of her brother and sister, J. Ed Costello and Mrs. R. Saunrers.

Mrs. Effie Morris and son, Marion, and Miss Ethel Morris of Pickering, were in Maryville Monday.

Mr. and Mrs. C. W. Reidlinger and daughter, Miss Mary, of Clyde, were Maryville visitors Monday.

Mrs. Rolla Rees and Miss Hattie Barker of Burlington Junction were in the city Monday.

Mrs. A. W. Enis and son, Eugene, of Clyde, are visiting her brother, E. L. Ferritor, and family.

Mr. and Mrs. John Jackson and Miss Alta, of Arkoe, were in Maryville on business Monday.

Mrs. Vina Cain went to St. Joseph Monday evening to make her home.

J. H. Sewell spent Sunday in Burlington Junction with his family.

Oakley Gibbs of Omaha, was in Maryville Monday on business.

Born to Mr. and Mrs. Alva Maul Sunday morning, a baby girl.

A Feudist to Prison.

Oklahoma City, Ok., May 14.—The criminal court of appeals in an opinion by Judge Thomas H. Doyle affirmed the conviction of Robert Davis, sentenced to two years from McIntosh county for cattle stealing. Davis and "Pony" Starr were formerly leaders of the Davis faction in the famous Porum feud.

Los Angeles Pressmen Stay.

Los Angeles, Cal., May 14.—The pressmen of the Los Angeles Examiner will ignore the call of President Berry of the International Web Pressmen's union and remain at work, it is understood. The contract, which was signed about a week ago, carried a raise in wages.

Woman Failed at Murder.

St. Joseph, Mo., May 14.—Mrs. Al Van Wye, 25 years old, wife of a bartender, fired two bullets at her sister with whom she had quarreled. Neither shot took effect and Mrs. Van Wye then sent two bullets into her own head and died almost instantly.

Will Attend Maneuvers.

Nevada, Mo., May 14.—General Clark and General Rumbold of the Missouri national guard issued orders designating the Second as the regiment from Missouri which will participate in the war game at Fort Leavenworth, August 18 to 29, this year.

WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well.

I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends."

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you.

It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.

If you suffer from any symptoms of womanly trouble, take Cardui.

Your druggist sells and recommends it. Get a bottle from him today.

N. B.—*Write to:* Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for *Special Instructions*, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
